Proposed Claim For Interview

- Do Not Enter

IN THE CLAIMS

Please amend the claims as follows:

Claim 1 (Currently Amended): A method of printing information comprising the steps of:

transmitting information to be printed from a handheld computing device over a wireless connection to an Internet service provider;

receiving, through the Internet service provider and by a wide area network, the information to be printed which was transmitted over the wireless connection;

forwarding the information to be printed over the wide area network to a printer; and
printing the forwarded information using the printer.

wireless
handheld Device
with ISP To connect.
